STEWARD TRAINING:

“Crash Course” for Stewards

Wednesday, January 13, 2010

8:00 a.m. – 4:30 p.m.

Sponsored by:

Milwaukee Area Labor Council, Milwaukee Area Technical College, School for Workers, U.W.-Extension, CEOEL

This one-day training program will provide an overview of the essential elements of being a union steward. Topics to be discussed include the steward's duties and responsibilities, legal protections for stewards, Weingarten Rights, workplace problem-solving and handling grievances.

This training could serve as a great orientation for new stewards or as a quick refresher for more experienced stewards. Non-stewards would also benefit from this course, by learning how union representation functions in the workplace.
